We are happy to announce the addition of Jason Cagle to our staff. Jason has been with us since 2011 and has served as our night manager while being employed elsewhere during the day. Desiring to devote his life to this work, he has agreed to become the Member Manager. In this position he connects closely with all the guys and adds a level of interaction we have been lacking.

Jason has a quick wit and a winning personality that draws the men to him. In spite of his firmness, they feel comfortable going to him with their issues. He listens to them and helps with whatever they are dealing with. He baptized two men yesterday morning.

Since he has been working with us for so many years, he comes ready and able to meet the challenges of this work. He requires no training or oversight. What a great blessing he is to this program!

Jason is from Guntersville, Alabama. Thanks to an anonymous donor, we were able to hire Jason to work full time for Project Rescue. He joins Beau Nelson who works as our day manager and maintenance man.

We are extremely thankful and blessed to have Jason join our team!

Going to Alaska

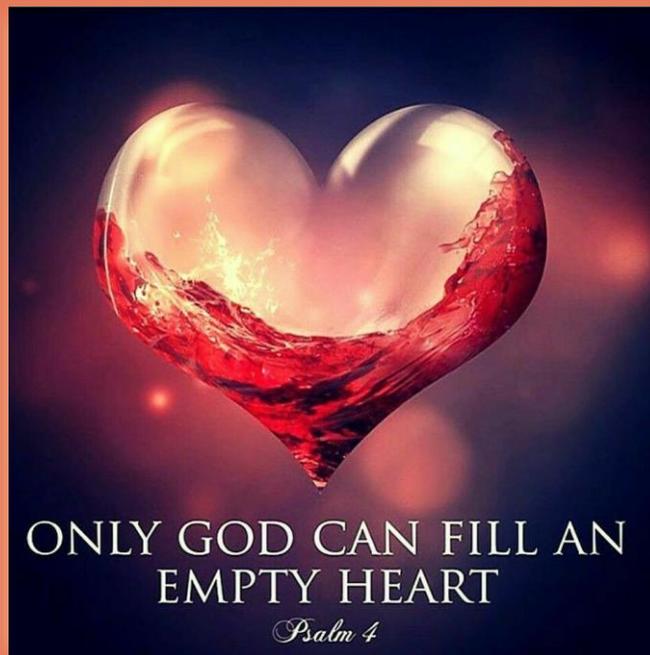

We are combining our March and April Newsletters due to an upcoming trip to Alaska. Ronnie and Jeanie Crocker will be attending a lectureship at Kenai the middle of this month. Ronnie will be speaking on the lectureship as well as other occasions that have been arranged. We have had at least 4 program members from Alaska so we look forward to the opportunity of connecting with this part of the country. Please remember us in prayer for safe travel and a productive visit.

7th Annual Bar-B-Q

There is excitement in the air around here as plans are being finalized for our upcoming Bar-B-Q Fundraiser. It's always a fun time with lots of friends, family, fellowship and food. If you're in the mood for a good time and happen to be in our area, please come and join us for this special occasion.

Tom & Robin Irwin and the good folks at the Austinville congregation and other local congregations are working hard to make this happen.

This year promises to be one of the best we have had so we hope you can come.

3 Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort,
4 who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God.

2 Corinthians 1:3-4

Again we want to express our deepest appreciation to all of you who are behind us in this work. Whether you are a one-time contributor, a monthly contributor or if you have Project Rescue on your prayer list, we want to thank you from the bottom of our hearts for making this very important work possible. We couldn't do it without you.
