**Professional Counseling + Bible Teaching is Powerful!**

The leadership of Project Rescue has decided to increase the quality of our program before we build to house more members. We need your help with this effort!

Lonnie Jones has a Masters Degree in Counseling Psychology. He is a licensed professional counselor and a member of the national board of certified counselors. He has been in private practice for over twenty years.

He has a BA in Bible from Harding University. He has over thirty-five years experience as a minister. He is very much in demand as a speaker among the churches of Christ. Elderships encourage members to visit him.

As a professional counselor, Lonnie uses psychological knowledge from experts who have studied and examined how the mind functions. As a Christian minister, he uses psychological knowledge from the Creator who designed how the mind functions.

On July 24th, Lonnie will begin to make weekly visits to our campus. He will counsel five of our program members each week, for 6 weeks.

We are stepping out in faith by committing to this six week financial agreement with Lonnie. We are seeking financial assistance which would make it possible for him to counsel and minister to more of our members!

# Lonnie Jones' Professional Counseling skill plus his Bible teaching ability is powerful.

Psychiatrists, Psychologists and Professional Counselors primarily use talk therapy, as they engage their patients in conversation. In their 1-on-1 sessions, Gospel preachers and ministers also use talk therapy to encourage, correct and administer practical tools.

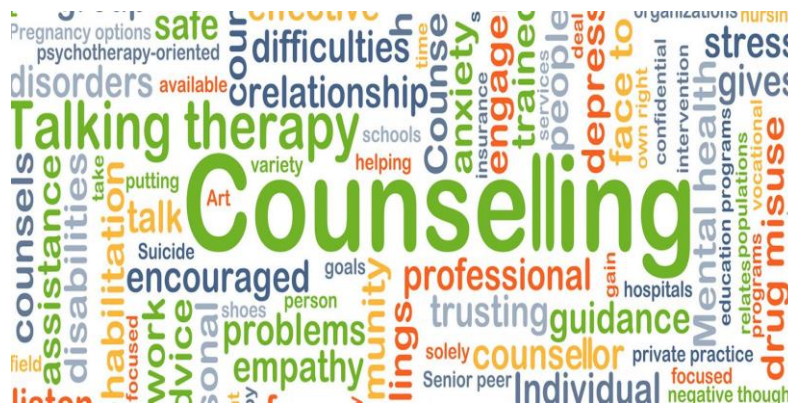

## Here are a few Scriptures that refer to spiritual talk therapy:

“All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be complete, thoroughly equipped for every good work.” 2 Timothy 3:16-17

“Preach the word . . . Convince, rebuke, exhort, with all longsuffering and teaching. 2 Timothy 4:2

“And a servant of the Lord must not quarrel but be gentle to all, able to teach, patient, in humility correcting those . . . so that they may know the truth, and that they may come to their senses...” 2 Timothy 2:24-26

For the souls in our care struggling with addictions, Lonnie will administer both professional and scriptural wisdom to promote spiritual transformation. In each 1-on-1 session, he will correct destructive patterns of behavior and provide tools and strategies to help them overcome. We Believe partnering with Lonnie will enhance the quality of our care!

“For the word of God is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart.” Hebrews 4:12
